

# APSORC 25

## 7<sup>th</sup> Asia-Pacific Symposium on Radiochemistry 2025

September 14 (Sun) - 19 (Fri), 2025

Matsue, JAPAN

### TOPICS

Nuclear chemistry  
Radioanalytical chemistry  
Actinide chemistry  
Nuclear probe in chemistry  
Activation analysis  
Nuclear forensics  
Radiopharmaceutical chemistry  
Environmental radiochemistry  
Education in radiochemistry  
and other related topics

*Also, sessions will be held based on the open call for applications.*

Matsue, Shimane

### VENUE

Kunibiki Messe  
Matsue, Shimane, Japan  
<https://en.matsue-cvb.jp>

### STYLE

On-site only

### Contact

Yasuhito Igarashi (Kyoto Univ.)
